

SPECIAL ANTIQUES

MODEL YEAR LICENSE PLATE

1. FormTR-12 (Affidavit to a Fact/Bill of Sale) must be completed, specifically the antique model year license plate section, along with the vehicle information and affiant's certification.
2. Request a picture or photo copy of tag if possible, not required.
3. Special Antique plate numbers are kept on a reservation file to ensure multiple plate numbers are not being used for the State of Kansas. This is the same method as personalized antique, personalized disabled and regular personalized.
4. Letters and numbers are to have spaces when entered on the application.
5. If a county indicator is on the plate, please use it. This allows for more plate combination possibilities. .
6. Do not add the plate year to the plate lettering/numbers.

SPECIAL ANTIQUE FEE CHARGES

1. When customer comes in for **TITLE APPLICATION ON NEW PURCHASE** of antique vehicle and brings model year license plate he wants to use on vehicle, run title application using model year plate for \$40.00. **DO NOT** sell antique plate with fee and then special application and delivery.
2. If customer **ALREADY HAS ANTIQUE TAG** on the vehicle and brings in a model year license plate, run special plate application/deliver for special antique. The \$40.00 fee is charged.
3. If customer brings in model year license plate he wants to put on vehicle that has **TITLE ONLY** antique title, run special application/delivery for special antique. The \$40.00 fee is charged.
4. \$40.00 is antique registration fee. Any other fees normally charged are also collected.
